About Ampleton®

Ampleton® is service based company Founded in May 2018 & having Mechanical Electrical & Plumbing and Solar EPC as its Primary areas of service. We are the company with focus on power issues and their technical solutions. We act as consultants, designers and take up execution according to client's requirements. We are now expanding across India and inviting entrepreneurs to partner with us through our structured franchise model.

Franchise Investment:

- Franchise Fee: ₹5,00,000 + GST 18% (One-time, refundable)
- Additional Costs: Branch rent and Branch Manager's salary to be borne entirely by the franchisee.

Team Structure (5 Employees):

1. Branch Manager/Franchise Owner
2. Sales Executive – 1 to 2 Years Experience
3. Sales Executive – 1 to 2 Years Experience
4. Electrical Engineer – 1 to 2 Years Experience
5. Process Associate – 0 to 2 Years Experience

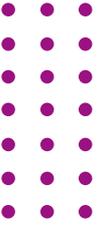

Operations & Support:

- **Portal-Based Operations:** All franchise operations must be conducted strictly through our designated system aligned with the PM Surya Ghar portal or any portal
- **Backend Support:** Centralized support will be provided by our company for documentation, technical guidance and customer coordination.
- **Software & Training:** We will train your staff on system usage and processes, including handling customers under the Project Registration to Work Completion.

Franchise Benefits:

1. Government-aligned business model with strong demand
2. Low investment, high return potential
3. Full backend and technical support
4. Trusted brand with growing presence in India
5. Joint recruitment process for team quality
